Helping you choose a beautiful floral tribute

This guide shows you a selection of what is available in our sympathy collection and will help you choose the most appropriate and personal floral arrangement.

Flowers are the perfect way to express your feelings and pay respect when words simply aren't enough. At a time of loss, it can be difficult to choose the right flowers and style – this guide makes it easier by providing visual examples.

Please be assured that from the moment you place your order, it will be designed and handled with care by our expert florists before being hand delivered on the day.

What you need to know

You are able to make changes, including colour schemes, to your selected arrangement to make it more personal – just let us know and we will assist you.

Please do not hesitate to contact us so that we can discuss different options to create the perfect tribute for your loved one. We would be delighted to create a bespoke arrangement if you prefer something outside of our collection.
